

SAMPLE FORGED SIGNATURE/ENDORSEMENT AFFIDAVIT

This affidavit is intended as a "sample" or "guide" to help credit unions develop their own customized or individual affidavits. However, an affidavit that works well for one credit union may not be appropriate for another. Therefore, each credit union should make revisions by deleting or adding language to accommodate their own particular situation regarding technology, personnel, products and services, facilities, and other relevant factors. The credit union's affidavits should be reviewed for compliance with applicable rules and regulations from time to time. The League cannot guarantee that a sample affidavit is in compliance with the law. This affidavit is not intended as legal advice.
